Page 2 of 5

- During continuous loading and unloading and no stoppages whatsoever there will be no detention applicable .
- All cargo except containers to be stowed below deck based on attached packing list
- Shipping company will be responsible for the miscellaneous equipment required for loading and off loading the Carnival equipment from the vessel ie (Spreader bars , lifting nets, chains, special rigging or any adjustment to lifting equipment necessary)

#### Detention Clause

-----

- Vessel will present itself for loading at the port of Dalian on June 16<sup>th</sup> , 2007. Should cargo not be available for the vessel to begin loading at 0800am on June 16<sup>th</sup> , 2007 , vessel will automatically be on detention. Should all cargo be delivered to the terminal in Dalian but due to either cargo not being Customs cleared or should any liens be connected with the cargo causing cargo to be delayed from loading on the vessel will automatically go on detention until loading is resumed.
- Detention rate USD25,000 Per day or pro-rata
- From place of rest in Dalian terminal to under ships hook should any delays from this point occur due to no fault of the cargo ie delays by stevedoring company in Dalian then no detention will be applicable to the Merchant based on this type of delay in bringing cargo to under ships hook in Dalian linked with the cargo
- Freight deemed earned pro-rata as cargo being loaded onboard discountless and non-returnable ship or cargo lost or not lost.
- Bills of Lading should be marked " ALL TERMS/CONDITIONS EXCLUSIONS of this contract to be fully incorporated into the Bill of Lading
